

**University College Freiburg (UCF) seeks to hire a tutor to support the LAS introductory statistics course “Dealing with Numerical Information” in the summer term 2024.**

**Part-time position (23 monthly hours). Start-date: 15.04.2024**

University College Freiburg (UCF) promotes and administers unique international and interdisciplinary teaching activities at the University of Freiburg, including the English-language B.A./B.Sc. program in Liberal Arts and Sciences (LAS).

Primary responsibilities will include supervising two weekly tutorial groups:

Fridays 8-10

Fridays 10-12

- creating study materials and exercises for students.
- correcting exercise sheets.
- assisting during the examination process and for correction of exams.

Candidates must have at minimum a B.A./B.Sc.degree (recognized in Germany), be familiar with the theoretical background and application of basic descriptive and inference statistics (e.g. data illustration, correlation, regression, parametric and non-parametric test statistics), have excellent English skills (the language of teaching is English), be familiar with the statistics package R, and be a reliable colleague.

Applications should include a cover letter, a short C.V. including teaching experience (if any). We are particularly pleased to receive applications from women for the position advertised here.

Please send your application in English including supporting documents mentioned by Friday 05.04.2024 at the latest.

Please send your application in electronic form via E-Mail (please one single PDF file) to: [sebastian.gehart@ucf.uni-freiburg.de](mailto:sebastian.gehart@ucf.uni-freiburg.de). For further information, please contact Dr. Sebastian Hubert Gehart on the phone number +49 761 203-96805 or E-Mail [sebastian.gehart@ucf.uni-freiburg.de](mailto:sebastian.gehart@ucf.uni-freiburg.de).
