

WHO ARE WE?

We are UCF's sustainability committee. We offer a space where everyone can share their thoughts and concerns about sustainability. Every idea, project or initiative is heard and welcomed. In this committee we believe that every action, however small, makes a difference.

OUR PROJECTS

Last year we carried out several projects:

- Our very own garden
- An excursion to a nuclear power plant in Switzerland
- Two workshops: upcycling and make-up diy
- A "clothes and more" swap in the common room
