

## Who are we?

ImMUNity is UCF's own MUN committee. We're a **group of students** who are passionate about **politics, philosophy, ethical dilemmas**, and all sorts of different topics that you can **debate** and negotiate about.

The committee was founded about one and a half years ago by three LAS students who, by now, have graduated. Kora (she/her mostly), Jakob (he/him), Lottie (she/her), Lilli (she/her), Sarah (she/her) and Joyce (she/her) have taken over the organisational part and have since been working hard to organise all sorts of events for every interested LAS student.

## What do we do?

MUN stands short for **Model United Nations**, which is a debate format meant to provide participants an insight into (among others) diplomacy, international relations, legislature, and human rights. ImMUNity is a committee that **organises events centred around debating, the United Nations or other skills and topics related to MUNs themselves**. Before the pandemic, our main focus was the preparation of delegations to MUN **conferences** such as the Geneva International Model United Nations – however, as large in-person events are currently not the most prudent of choices, we are currently focused on smaller, internal events. For that, we are having **weekly committee meetings** on Zoom where we discuss, plan, and prepare our **current projects**.

At the moment, we're planning to have an **Avatar: The Last Airbender Negotiation Simulation** in either November or December of 2020. This will be a small, fun event in which you can test your debating skills and dive into ATLA lore. Furthermore, we want to prepare a **Game Night** centred around strategy and hidden role games such as Coup or One Night Werewolf.

And lastly, an event we have been planning for months already: **FreiMUN** – an **MUN conference here in Freiburg**, to take place in September 2021. We're hoping that by that point, COVID will no longer be a problem and we can safely organise an in-person conference for everyone to have fun.

## How can you participate?

We have **weekly meetings** on Zoom each **Monday at 6 pm c.t.** (Central European Time). If you want to join or just try out once to see if they're something for you, send us an e-mail to **[uncommitteeucf@gmail.com](mailto:uncommitteeucf@gmail.com)** to be added to our **mailing list** and get access to the Zoom Invitation! You can always contact us with questions, ideas, or requests – we're looking forward to meeting you soon, one way or another!
