## Jack Journalism Committee

Dear Cohort 9,

**First of all, welcome to UCF!**

We the journalism committee work on creating a diverse students magazine (the Jack) and would like to invite you to become part of our team. We not only write, collect and illustrate articles but also work on other creative projects involving the content of the Jack. Our next issue "Breaking" will be printed very soon and we are very excited to share the work of the past year with you!

The motto of the Jack "Jack of all trades master of none but often times better than master of one" does not only fit the LAS program but also the content of our magazine. With only one overarching topic for each issue there is plenty of space for creative interpretations and contributions.
