

We are looking for...

2 Executive Organiser

What do we do?

As executive organisers, we are representatives of the student body. We assure the bridge between the UCF staff, and the students. We mainly coordinate and help to concretise students' projects. In practice it means that we:

- Organise weekly **student council meetings**
- Reply to **emails** from students, UCF staff, and people outside of UCF daily
- Manage the Students council **website**
- Meet regularly with the **UCF staff** to discuss current issues
- Organise the **General Assemblies**

Why is it great to be an EO?

You really **get engaged** in the community.

You have **responsibilities**.

You get to **understand the functioning** of UCF better.

So, come and JOIN ME! 😊

(Internationals and first year students are especially welcomed to run!)
