This is Our Chance

The University of Freiburg is working on a new language policy, and You can have a say!

We invite you - particularly international students - to join us on one of the proposed days to share your experiences with language diversity and language barriers at the University of Freiburg.

Tell us what is working well and what needs to be improved. Come around, bring your friends, the more perspectives the better! As an outlook for you – these are the three topics that we will have a closer look at:

1

PRIOR TO
